Welcome to Bridgestone Tyre Singapore Warranty Registration

Thank you for purchasing Bridgestone tyres.

Our tyres are manufactured in many countries under the strictest quality control and every Bridgestone tyre comes with a five-year warranty against manufacturer defects from the date-of-manufacture. Bridgestone Tyres Sales Singapore Pte Ltd assures that tyres sold in Singapore are suitable for local roads and climate conditions.

Please note that all warranty registration must be submitted within **14 days** from the date of purchase.

At Bridgestone, we strive to provide the best service to our customers. Therefore, our [authorised dealers](#) undergo frequent training and adhere to recommended procedures for your tyre installation.

All Bridgestone tyres are manufactured in compliance to international safety and quality standards.

Only purchase from an [Authorised Bridgestone Dealer](#).

Bridgestone Tyre Sales Singapore Pte Ltd reserves the right to refuse any claim if the warranty is not registered.

Your Journey, Our Passion.
